

The architectural drawing shows the ground floor (Erdgeschoss) of a building. It features a central corridor system with multiple stairwells (Treppenhäuser) and service areas. Rooms are labeled with numbers and names, such as Lager (Storage), Technik (Technical), and Foyer. Structural elements like walls (Mauerwerk), doors (Tür), and windows (Fenster) are indicated. The plan also includes dimensions, room areas, and specific construction details like door types (e.g., RFR DN100) and wall thicknesses.

The floor plan shows a complex layout with various rooms and corridors. Key areas include:

- Central Hall:** A large open space in the center, labeled with dimensions and structural details.
- Staircase:** Located on the left side, with a landing area labeled "Stahltrappe".
- Rooms:** Numerous rooms are shown, some with specific labels like "Lager 10", "Lager 12", "Lager 13", "Lager 14", "Lager 17", "Lager 18", "Lager 19", "Lager 20", "Lager 21", "Lager 22", "Lager 23", "Lager 24", "Lager 25", "Lager 26", "Lager 27", "Lager 28", "Lager 29", "Lager 30", "Lager 31", "Lager 32", "Lager 33", "Lager 34", "Lager 35", "Lager 36", "Lager 37", "Lager 38", "Lager 39", "Lager 40", "Lager 41", "Lager 42", "Lager 43", "Lager 44", "Lager 45", "Lager 46", "Lager 47", "Lager 48", "Lager 49", "Lager 50", "Lager 51", "Lager 52", "Lager 53", "Lager 54", "Lager 55", "Lager 56", "Lager 57", "Lager 58", "Lager 59", "Lager 60", "Lager 61", "Lager 62", "Lager 63", "Lager 64", "Lager 65", "Lager 66", "Lager 67", "Lager 68", "Lager 69", "Lager 70", "Lager 71", "Lager 72", "Lager 73", "Lager 74", "Lager 75", "Lager 76", "Lager 77", "Lager 78", "Lager 79", "Lager 80", "Lager 81", "Lager 82", "Lager 83", "Lager 84", "Lager 85", "Lager 86", "Lager 87", "Lager 88", "Lager 89", "Lager 90", "Lager 91", "Lager 92", "Lager 93", "Lager 94", "Lager 95", "Lager 96", "Lager 97", "Lager 98", "Lager 99", "Lager 100".
- Structural Details:** Walls, doors, windows, and structural elements are shown with dimensions and labels.
- Labels:** "vermietet" (rented) and "reserviert" (reserved) are used to indicate the status of different areas.

The plan is a detailed architectural drawing, likely for a building project, showing the layout and structural details of a floor.
