out with him and his wife and son. They were
all very kind to us. We had a good time at
the hotel. The room was very nice. The
food was excellent. The service was
very good. The price was reasonable.
We will be back again next year.

Hand-drawn architectural elevation sketch of a building facade. The sketch includes:

- Dimensions:** Red and black handwritten dimensions are present throughout, including:
 - Top level: 20, 20, 20, 20, 20, 20, 20, 20, 20, 20, 20, 20, 20, 20, 20, 20.
 - Middle level: 20, 20, 20, 20, 20, 20, 20, 20, 20, 20, 20, 20, 20, 20, 20, 20.
 - Bottom level: 20, 20, 20, 20, 20, 20, 20, 20, 20, 20, 20, 20, 20, 20, 20, 20.
- Windows:** Multiple rectangular windows are drawn at different heights and widths across the levels.
- Doors:** Several doors are indicated by larger rectangles or specific symbols.
- Structural Details:** Vertical columns, horizontal beams, and a central entrance area are shown.
- Date:** "9/STC 1941/25" is written near the top center.
- Circle:** A circle on the right side has a radius of "1.10" and a diameter of "2.20".
- Text:** "Radius 1.10 m" is written vertically next to the circle.
